

*Dear LifeStyle Friends,*

*Since Ron's home-going on June 29, 2001, the Lord has continued to bless LifeStyle in every way possible. Our monthly subscribers have remained faithful and God has opened new doors of opportunity and ministry for us.*

*In November of this year Don Gardner, Joanne's husband, went to Heaven and left a gaping hole for us. Although he was not a paid employee, he was a valued member of the Board of Directors and worked tirelessly for LifeStyle in so many areas. Joanne continues to be the cornerstone for LifeStyle, as always.*

*We are now able to offer anything in the catalog on CD as well as some wonderful DVDs we have from Bible Conferences Ron preached at Bellevue Baptist Church in Memphis, TN, Sherwood Baptist Church in Albany, GA and at First Southern Baptist Church in Del City, OK.*

*We also have a new audio book available of Ron's book, WILL GOD HEAL ME, which would be wonderful for those who don't like to read and spend a lot of time in their car. Steve Day, a fine broadcaster from North Carolina, worked with us on this project.*

*You might be interested in checking out Legacy.com. This is a wonderful website which allows people to e-mail messages telling how Ron's ministry has blessed their lives in some way. Type in "Ron Dunn, Irving, TX" to read the tributes or to add your message.*

*Also, at Rondunn.com you will find devotionals Ron has written, sermons, outlines, a catalog of materials available, a sermon available to listen to, pages from his Bibles with his personal notes in them, and pictures of his library and the Ron Dunn Institute of Biblical Studies housed in Sherwood Baptist Church, Albany, GA, an extension of New Orleans Baptist Theological Seminary.*

*We will continue to offer messages on tape, CD, DVD, along with Ron's books, as long as the Lord leads and funds are available. This is the Lord's ministry and our desire is to honor Him in all we do.*

*Thank you for sharing in our lives through these years*

*Kaye Dunn.*
